FROM THE DESK OF OUR MAYOR

Fall is here. Along with the season of Fall comes many favorites of mine. My list includes: crisp air that is just cool enough to put on my favorite sweatshirt, jeans and tennis shoes, changing colors of my leaves that eventually pile up in my yard, vibrant colors of the sunsets and sunrises, holidays and birthdays that demand I spend time with my family and friends, and the joy of seeing something new in each day, and lastly don't forget all the planning that will go into getting ready for the big day towards the end of December. My heart is full.

Leaf dumpsters are open to all village residents. One located on the north end of the village on N Middle Drive near Weavers Fort Jefferson Rd. The second dumpster is located on the south end of the village near the village garage. Please do not blow or sweep leaves into our narrow roads.

Brice with Access Engineering and the Wayne Lakes Sewer committee continue to work on the upcoming project. The drilling continues in December through North Drive, Poplar Lane, Evergreen Dr, Evergreen Lane, Cross, Ottawa and North Middle Drive. Tank work is estimated for Spring of 2024. An updated map will be provided on our website and at the local office. Please contact the village office with any questions or concerns. **Newly updated** mailers have been sent showing the updated potential bill that may be expected due to our latest grant award. Doing all we can to lower those bills.

Trick or Treat at the Community Building had a terrific turn out. A count of at least 170 people came through the building. Two lucky kids won bicycles. Karen Sink was voted the winner of the chili cook off this year! Thank you to all the volunteers that made the event possible. It's all about the families and keeping our kids safe.

New Big Toy in our playground is nearing completion. Thank you to all the volunteers that have donated their time and efforts into making our village a nice, updated place to spend time. The equipment should last for many years to come. Also, a big thank you to the Park District for awarding us the grant to offset a portion of the cost.

Goose Task Force 2024..... To infinity and beyond! That's what many of us think of our goose friends that show up every year. We are looking for the best of the best to help with strategic planning of how to manage our population with approved methods by ODNR. Please email me if you are interested in joining this distinguished team of planners. It's all about the execution. Let me know if you are in. We need residents from all lakes to take part. Those tricky birds like to jump from one spot to the next. *cont'd on reverse*

We mourn the passing of our Wayne Lakes neighbor and friend, Pam Sharp. She was a successful business owner of Merle Norman's of Greenville since 2011. She enjoyed her flowers, and so did we. Pam was involved in many groups and activities that benefited children and adults alike. Her special smile and love are still with us.
 Our hearts are with Kevin and her family . 

Fort Jefferson **UMC** invites the Wayne Lakes and surrounding communities to our annual Christmas Eve Service at 8:00pm. The service includes traditional scriptures, songs, special music, and lighting of the candles. *Please join us as we celebrate the birth of our Lord Jesus Christ.* 

Food assistance is available at Ft. Jefferson United Methodist Church for anyone in Neave Township. Please call 937-423-6118. Leave your name and number for a return call. We are here for you!
