WATERFOWL

NO SWIMMING or
ICE SKATING
ON ANY OF THE LAKES

FROM THE DESK OF OUR MAYOR

Wayne Lakes Residents to Vote in our beloved Community Building.

Please vote in the November election. We are filling in our parking area, getting new striping on our handicap parking spots and fixing our soft close entry doors to make them better for everyone. All of this to welcome you back! Please support our village.

Did you know that the current levy on the ballot is a renewal for current expenses. It is estimated that a property with a value of \$100,000 will pay \$245 towards the village. What does that help purchase? Chipping of branches, trees removed from roadways after storms, night lights on our roadways, snow removal, treatment and work on our lakes, trash pickup near our lakes, weed control and trimming, support for our beach and community building and much much more.

Brice with Access Engineering and the Wayne Lakes Sewer committee continue to work on the upcoming project. Pipe drilling is 2/3 of the way complete in our village. The drilling continues through South Creek Drive, North Drive, Poplar Lane, Evergreen Dr, Cross and North Middle Drive. An updated map will be provided on our website and at the local office. Please contact the village office with any questions or concerns. **Newly updated** mailers will be sent next quarter revealing the updated potential bill that may be expected due to our latest grant award. Doing all we can to lower those bills.

Work Agreements ... Final attempts are being made. Please call us to set an appointment that fits your schedule at 937-459-4111. Most resident agreements are complete. We highly recommend all residents make the time to discuss the agreement.

Improvements and updates are coming to our Community Building. The council has budgeted for an air conditioning unit to be installed and updates to the kitchen area. More info to come.

Goose Task Force 2024..... To infinity and beyond! That's what many of us think of our goose friends that show up every year. We are looking for the best of the best to help with strategic planning of how to manage our population with approved methods by ODNR. Please email me if you are interested in joining this distinguished team of planners. It's all about the execution. Let me know if you are in. We need residents from all lakes to take part. Those tricky birds like to jump from one spot to the next.

Daily Fishing Passes are easily purchased at the village office, on our village web page www.villageofwaynelakes.com and our Facebook page The Village of Wayne Lakes. New office hours include Tuesdays, and Thursdays, 9:00 am to 11:00 am. Wednesday afternoons 4:00 pm to 6:00 pm. Saturday 12:30 to 1:30 pm. New pricing for the Daily pass \$8.50. The new non-resident passes \$65 for the year. We are also selling bait at the village office. Nightcrawlers, red worms & wax worms for now. \$5 per carton.

Next council meeting Monday, Oct. 9, 2023, 7:00pm in the council meeting room.

Respectfully Submitted,

Linda Clark Mayor, mayorwaynelakes@gmail.com

Condolences

Al Hayes passed away Sunday, September 3, 2023. He was a long-time resident of Wayne Lakes. Al was helpful to Wayne Lakes in all ways with his knowledge of nature and helping to fix what needed fixed.

We will miss Al. Our love and condolences to Margie and your family. We know his love for you all was most important to him.

Food assistance is available at Ft Jefferson United Methodist Church  for anyone in Neave Township. Please call 937-423-6118. Leave your name and number for a return call. We are here for you!

If **golf carts**, not 4 wheelers, go carts, or other, are street ready and tagged properly, they are legal to be on Wayne Lakes roads driven by an individual with a driver's license. The golf cart privilege can be taken away from the village if the rules are not followed.
